

The Plaza, Liverpool

2 phase refurbishment of the Plaza Hotel, Liverpool, including a new main entrance and alteration and extension of the third floor.

Key facts:

Location: Liverpool

Client: Bruntwood

Sector: Regeneration

Status: Complete

Area: Various

The first phase involved the creation of a new main entrance to the building including associated reception, concourse, meeting rooms, lounge area, toilet facilities, security and back of house facilities and the creation of a retail unit for WH Smith by incorporation of the former undercroft.

The second phase involved altering and extending the third floor to create new office space and re-modelling of the Old Hall Street elevation to facilitate a dedicated customer entrance for Weightmans.
